So, you're interested in going solar! If you're looking to improve your Queensland home, there's no better way. At Pedleys Solar, we're devoted to providing a top-quality solar energy system to help you lower your bills and save the planet.

For a limited time, we're running a special deal that's designed to achieve energy savings within a month. For \$0 down, you'll get a 6.6kW Jinko + Sungrow Solar System professionally installed by our team of CEC-accredited electricians — plus a Google Home Mini. If you don't see solar credits on your first power bill post-install, we give you \$2000 cashback. We're that confident that you'll see significant savings.

Don't waste another minute spending too much on electricity. Contact Pedleys Solar today and let's upgrade your home for the future.
