

## PRODUCT DESCRIPTION:

### **Brush**

Say goodbye to tangles and hello to smoothness with our ergonomic, ultra-comfortable brush! Made with a sturdy paddle that wouldn't break, this brush features durable, soft bristles that are gentle on both your scalp and strands. Whether your hair is thick or thin, straight or wavy, you'll get amazing results during your hair care routine with this lightweight, long-lasting brush!

### **Brush Iron | Dual Brush**

Make your blowout a breeze with our brush iron and dual brush. With a non-slip grip and ergonomic design, you'll have full control of your blowout, and you can monitor the iron's variable heat settings with a digital LCD display to ensure that it's the perfect temperature for your locks. This brush iron heats up quickly and maintains its temperature to avoid damage to your hair. Plus, an auto-shutoff feature keeps you and your home safe.

### **Comb**

If you struggle with tangled hair, this V-comb is here to the rescue. With a straightening plate that keeps your hair in place as the wide teeth work their magic, our comb is the perfect tool to prepare your hair for heat styling tools or even a haircut. Its compact, portable design makes this comb an essential for your hair care kit — even on the go!

### **Curling Wand Pro 10**

Love your big curls and glamorous waves? Get our Curling Wand Pro 10, a salon-quality product that features a medium-sized Tourmaline Cone that won't tug at or break your hair, plus negative ions to counteract the positive ions in dry, damaged hair. This leaves you with SMOOTHER, SILKIER hair! This curling wand reaches temperatures of 450 degrees F (230 degrees C) to ensure an amazing styling effect, while [Far Infrared \(FIR\) technology](#) locks in moisture and natural oils to help keep hair shiny and healthy.

### **Curling Wand Pro 05**

If you're looking to create romantic tendrils or beautiful ringlets, look no further than our Curling Wand Pro 05, with a slender, tourmaline core that helps defrizz and sleek-ify your strands as it works. By generating negative ions, this wand counteracts the positive ions present in dry, dull hair and gives it new life! Plus, Far Infrared technology helps preserve your hair's natural oils so that you can enjoy effective, high-quality heat styling without risk of damage to your hair!

### **Endless- 4 in 1 professional curling set**

Whether you love to mix it up at home or you're investing in your salon business, our 4-in-1 professional curling set has all the options you need to create everything from swirling curves to big waves to rockin' ringlets. With tourmaline cones that prevent wear and tear on your hair and negative ions to make your locks smooth and shiny, these curling wands come in four versatile sizes: 18/9mm, 25/19mm, 32mm and the Twisted barrel to create a variety of stunning hair designs. All wands feature a swivel, tangle-free power cord.

### **Flat Iron | Nano Ceramic**

Our flat iron features high-grade, nano-ceramic plates to give your locks a smooth straightening without risk of tugging on or snagging your hair. With our [Far Infrared \(FIR\) technology](#), heat spreads evenly for best results and singe-free hair, while the ceramic emits negative ions to boost your hair's natural moisture and eliminate frizz! Set the temperature to whatever works best for your hair style and watch this iron heat up quickly and accurately. Plus, this flat iron features a sturdy, non-slip grip for an optimal styling experience, as well as an auto-shutoff for maximum safety.

### **Flat Iron | Styler**

Our innovative flat iron has 100% Solid Ceramic Plates infused with powerful ionic Black Tourmaline Gems to help boost your hair's natural shine and ward off heat damage! Style your hair with ease with our sleek, ergonomic design featuring a [non-slip grip](#). This iron has [variable temperature settings](#) to make it suitable for all hair types and offers consistent heat transmission to help prevent hot spots.

### **Gloves**

Help prevent snagging or dirtying of your hair and protect your hands from your heat styling tools with these gloves — a must-have for any salon professional's kit.

### **Keratin Moisturising Conditioner**

Your hair deserves a luxury treatment, and this nutrient-rich conditioner delivers! Our formula includes keratin, shea butter, and coconut oil to pack a huge moisture punch. Even the driest, most damaged locks will be smooth and supple after using this powerful conditioner! Plus, it contains our NEW signature fragrance so that your hair smells as good as it looks.

### **Keratin Moisturising Mask**

If you need a more intensive treatment after extensive heat styling or coloring, our Keratin Moisturizing Mask delivers high-quality moisturizers such as shea butter and coconut oil deep into your strands for optimal hair health. Use our mask once a week to keep your hair shiny and stunning!

**INGREDIENTS:** Aqua, Cetearyl Alcohol, Cera Alba, Cetrimonium Chloride, Cocos Nucifera Oil, Butyrospermum Parkii Butter, Hydrolized Keratin, Niacinamide, Taurine, Tocopheryl Acetate, Helianthus annuus seed oil, Behenamidopropyl Dimethylamine, Stearamidopropyl Dimethylamine, Phenoxyethanol, Sodium Benzoate, Potassium Sorbate, Perfume

### **Keratin Moisturising Shampoo**

Sulphates dry out your hair and strip it of its natural oils. Our nutrient-rich, sulphate-free, colour-safe shampoo gets your locks clean and shiny without drying, damaging chemicals. Plus, our NEW signature fragrance will have people asking you what shampoo you use! Get a dose of keratin and protein to rebuild your hair as you're washing it, leaving it in better shape than before you got into the shower!

### **Steam Keratin Styler**

Our unique styler uses innovative steam technology to infuse keratin oil and add gloss to your hair. A traditional straightener has only one steam outlet, but ours features five vents that lock moisture into your hair and prevent frizzing. Use this tourmaline-plated iron with our Infusion Keratin Oil Formula or as a regular flat iron. With variable temperature settings, a heat-proof tip, an LCD display, and auto-shutoff, this powerful iron is a state-of-the-art tool to add to your styling kit.

### **Timeless- Rose Gold Infrared**

Get a timeless look with our Timeless Rose Gold Infrared flat iron. With our Far Infrared (FIR) technology delivers consistent heat to the hair from inside out, protecting your hair from heat damage, this iron is among the gentlest on the market, giving you perfectly

straight, sleek locks without damage. Enjoy an ergonomic, comfortable grip and tangle-free swivel cord to help make your heat styling experience as frustration-free as possible. Use this iron's variable temperature modes and convenient LCD display to set the appropriate heat level for your hair. You'll wonder how you ever styled your hair with any other flat iron.
